Life Points
Rewards for Healthy Living

Well onTarget understands how hard it can be to maintain a healthy lifestyle. Sometimes you may need a little motivation. That’s why we offer Life Points\(^1\) to keep you climbing toward your wellness goals.

With the Life Points program, you will be able to earn points by regularly participating in a range of healthy activities. You can then redeem your points for popular health and wellness merchandise and services.

Life Points offers you many features:

**Instant recognition of points**
Real-time granting of points\(^2\) gives you instant notice of your healthy efforts.

**Easily manage your points**
The interactive portal makes it easy to understand how many points are available to be earned. You can also track the total number of points earned year-to-date. All of your point data will be displayed on one screen.

**Get more Life Points**
The Life Points program gives you the option to supplement your Life Points balance using a credit card to redeem your points for a larger reward.

**Expanded selection of rewards**
Redeem your hard-earned points in an expanded online Shopping Mall. Reward categories include Apparel, Books, Health & Personal Care, Jewelry, Electronics, Music and Sporting Goods. In addition, check out the “Rewards on Sale” section for discounted merchandise including electronics, games, luggage and more.
