Update Your Mailing Address by This Friday

OU will mail your 2013 W-2 tax information to the mailing address you have listed in Employee Self-Service. We will be using the mailing address that is in Employee Self-Service as of 5pm on Friday, January 17. Take a moment to review and update your address here (http://www.hr.ou.edu/SelfServiceIntroduction.asp). If you haven't received your W-2 by February, duplicate W-2s will be available online for active employees through Employee Self-Service beginning February 1 for Norman employees and February 15 for HSC and Tulsa employees. Questions? Email us at ohr@ou.edu.

Terminated employees can request a duplicate W-2 after February 15 by emailing Human Resources at ohr@ou.edu.

As provided by university policy, Human Resources has approved the distribution of this mass email. Approval of this email for distribution does not imply any position of the university.
