Public Safety Officer II (0768)

Basic Purpose/Job Function: Serves as a lead unarmed, noncommissioned public servant in the areas of traffic control, information dissemination and related security/noncriminal law enforcement.

Typical Functions May Include:

1. Providing training of Public Safety Officer I and Student Community Service Officers in all duties; monitoring assigned shift personnel for tardiness, appearance, grooming and work completion

2. Assigning duties, keys and access cards on the shift

3. Checking end of shift paperwork, reports and quad sheets

4. Performing scheduling for fixed post positions and conducting emergency schedule changes

5. Enforcing parking regulations and directing traffic; may cite and/or impound vehicles

6. Monitoring established traffic control points to control pedestrian and vehicular traffic

7. Responding to complaints or summoning a commissioned Police Officer as appropriate

8. Providing foot and bicycle patrol to identify safety and security problems and acting as deterrent to theft and vandalism

9. Receiving and recording on prescribed forms information from individuals regarding non-criminal and/or minor criminal matters which have already occurred

10. Making contact with members of the public and/or students, staff, or faculty of the University to explain regulations and/or enforcement actions taken, or to determine the party’s need for information, service, or assistance; referring inquiries to the appropriate resources for resolution

11. Providing care and first aid in emergencies

12. Making building security inspections

13. Operating public safety communications equipment including but not limited to conventional and cellular telephones, two-way portable radios, hand-held computers, and computer workstations

14. Dispatching responses to alarms and disturbances
Public Safety Officer II (0768)
